This information refers to the 14 main allergenic ingredients listed in the current European regulation (Regulation 1169/2011). They were compiled from data provided by our suppliers regarding the composition of their products. However, we cannot completely exclude the accidental presence of the allergens specified here, which may appear during the manufacturing of food products by our suppliers or when used in the restaurant. We recommend that you consult your doctor or allergy specialist for advice on food choices.
